PROPOSAL SECTION

State

Proposal 2026-1 A Proposal To Convene A Constitutional Convention For The Purpose Of Drafting A General Revision Of The State Constitution

Shall a convention of elected delegates be convened in 2027 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

Proposal 2026-2 A Proposed Initiated Law To Prohibit Campaign Contributions From Certain Regulated Utilities And Government Contractors And Apply Campaign Finance Laws And Regulations To Additional Types Of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over \$250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

Authority

Renewal Of Wayne County Zoological Authority Millage In Support Of The Detroit Zoo

In 2008 and 2016, pursuant to Public Act 49 of 2008, Wayne County voters renewed a 10-year property tax millage to fund zoological services through the Wayne County Zoological

Authority, supporting animal care for more than 2,000 animals and 200 species, educational and senior programs, and facility maintenance at the Detroit Zoo.

To continue providing these services, the Authority seeks to renew and restore the millage to the original voter-approved rate of 0.10 mill (10 cents per \$1,000 of taxable value). This

proposal would renew the millage at 0.0982 mill and restore the remaining 0.0018 mill that was reduced due to required rollback, for a total authorized rate of 0.10 mill on taxable real and personal property for ten (10) years.

If approved, the millage rate would be unchanged from those approved by voters in 2008 and 2016. Funds will be disbursed to the Authority and transferred to the Detroit Zoo as permitted by law. All funds are subject to annual independent audits. It is estimated that \$6,145,462 will be collected in the first year.

Ballot Question:

Do you approve the renewal and restoration of the levy of 0.10 mill on all taxable property in Wayne County for a period of ten (10) years, from 2028 through 2037?

Southeast Michigan Public Historical Museum Authority Millage Proposal

The Southeast Michigan Public Historical Museum Authority ("Authority") is a joint authority established by Wayne and Oakland Counties ("Counties") pursuant to Michigan Public Act 321 of the Public Acts of 2000, as amended, and was formed to support the Charles H. Wright Museum of African American History, Detroit Historical Museum, Dossin Great Lakes Museum, and other public historical museums located in Wayne and Oakland Counties ("Historical Museums") that provide historical museum services for students, residents and visitors of the Counties. The law allows the Authority to seek authorization from the electors in each of the Counties to levy a tax of 0.2 mill (20 cents per \$1,000 of taxable value) on taxable property to provide revenue for Historical Museums. It is estimated that if approved and levied on taxable property located within Wayne County, this new millage would generate approximately \$12,219,200 in 2026.

In addition to supporting the Charles H. Wright Museum of African American History, Detroit Historical Museum, and Dossin Great Lakes Museum, 15% of revenues received by the Authority from taxable property in Wayne County, after Authority administrative expenses, will be disbursed to the County of Wayne for the purposes of supporting Historical Museums in Wayne County.

Shall a 0.2 mill tax on all taxable property located within Wayne County be imposed by the Authority for a period of ten (10) years, being years 2026 through 2035, inclusive, to provide historical museum services for the benefit of the residents of the Counties?

**Community College
Renewal Of Schoolcraft College Operating Millage With Continued Headlee Override**

To renew the millage passed in 2018 for a ten (10) year period, shall the Schoolcraft Community College District, (consisting of the Clarenceville, Garden City, Livonia, Northville, Plymouth-Canton and part of the Novi public school districts) be authorized to continue levying this millage with Headlee override, which restored the 1986 voter-approved rate of 2.27 mills (about \$2.27 per \$1,000 of taxable valuation), which shall be assessed for ten (10) more years (2029 through 2038, inclusive), without further reduction by Section 31 of Article IX of the 1963 Michigan State Constitution, for operating purposes of Schoolcraft College. If approved, there would be no change in the current millage rate for the Schoolcraft Community College District. This renewal is estimated to generate \$50,760,711 in 2029.
